PacFed Benefit Administrators (PacFed) has set the standard for the administration of multiple employer fully insured private health insurance programs for more than 30 years.

California Employers Healthcare Alliance (CEHA) uses group purchasing power to provide nonprofit employers access to California's most competitive and highest quality health benefit plans, as well as dental, vision and life coverages.

Non-Profit Plan

CEHA is a group insurance program for non-profit employers.

Eligible Employers

To be considered for participation, an employer is required to have a minimum of fifty (50) eligible employees.

Eligible Employees

An employee who is non-affiliated or covered by a union benefit plan working a minimum of twenty (20) hours per week is eligible to enroll for coverage.

Coverage Area

The Non-Profit Exchange is able to provide coverage to employees who work in the state of California.

Why PacFed?

PacFed's team provides consolidated billing, on-site open enrollment, complete member services and direct claims support from a single source. COBRA administration, compliance, regulatory and fiduciary burdens are shifted to the private health insurance exchange.
